

COVID-19 UPDATE

CITY COUNCIL MEETING

Jennifer Dianos, Assistant to the City Manager
COVID-19 Public Information Team

July 28, 2020

Objective

Objective: Provide an update to the general public regarding COVID-19.

Agenda

- I. Update on COVID-19
 - i. County Statistics
 - ii. San Bruno Positive Cases
- II. Current Status – Where Are We Now?
- III. Resources
- IV. Questions

COUNTY STATISTICS

County COVID-19 Statistics

San Mateo County COVID-19 Cases by City

4,957

confirmed cases

Confirmed COVID-19 cases

rate per 10,000 population

> 86 - 164

> 52 - 86

> 30.9 - 52

19.8 - 30.9

Data not shown

Case data up to and including 7/23/20. Data will be updated weekly by Friday 9 am. Cases by city do not represent, in any way, a true representation of the actual burden of disease in the geographic area. Location data may be missing for some cases under investigation. As we receive new information about cases, data will be updated.

Menlo Park:	208 cases
Millbrae:	154 cases
Montara:	<10 cases
Moss Beach:	16 cases
North Fair Oaks:	<10 cases
Pacifica:	100 cases
Pescadero:	<10 cases
Portola Valley:	24 cases
Princeton:	<10 cases
Redwood City:	1010 cases
San Bruno:	224 cases
San Carlos:	69 cases
San Mateo:	895 cases
South San Francisco:	488 cases
West Menlo Park:	<10 cases
Woodside:	23 cases

Data are not shown for cities with less than 10 cases to protect privacy and confidentiality.

County COVID-19 Statistics

San Mateo County COVID-19 Data Dashboard

Case data up to and including July 27, 2020

Total Cases

5198

R-eff

1.03

Cases by Sex

Cases by Age Group

- R-eff is the average number of people an infected person will infect
 - Represents rate at which COVID-19 is spreading
 - Value less than 1 means decreasing spread
 - Value greater than 1 means increasing spread
- Source: CalCat

Cases by Race/Ethnicity

Total Cases by Day

New Cases by Day

Total Deaths

118

Deaths by Sex

Deaths by Age Group

Deaths by Race/Ethnicity

Because of limited testing capacity, the number of cases detected through testing represents only a small portion of the total number of likely cases in the County. COVID-19 data are reported as timely, accurately, and completely as we have available. Data are updated as we receive information that is more complete and will change over time as we learn more. Cases are lab-confirmed COVID-19 cases reported to San Mateo County Public Health by providers, commercial laboratories, and academic laboratories, including reporting results through the California Reportable Disease Information Exchange. A lab-confirmed case is defined as detection of SARS-CoV-2 RNA in a clinical specimen using a molecular amplification detection test. Cases are counted by date the lab result was reported. Deaths reported in this dashboard include only San Mateo County residents; death data last updated July 27, 2020.

CURRENT STATUS – WHERE ARE WE NOW?

State Health Order

- ▲ Remain Aligned to State's Resilience Roadmap
- ▲ Not Currently on the State's Monitoring List
 - **If** added to monitoring list the following closures will be imposed:
 - Gyms and fitness centers
 - Places of worship and cultural ceremonies, ie. weddings and funerals
 - Offices of non-critical infrastructure sectors
 - Personal care services, ie. nail salons and body waxing
 - Hair salons and barbershops
 - Shopping malls

Health Officer Statement

▲ San Mateo County Health Officer Dr. Scott Morrow Issued Statement on July 20, in Summary:

- “...The virus appears remarkably, even surprisingly, transmissible...”
- “...Fundamental structural failures of the US economy are being laid bare by the pandemic...”
- “...Complacency is the other majority factor enabling spread...”
- “...**No** gatherings outside of immediate households, use facial coverings extensively, and social distancing...”

 - Language services for non-English speaking callers provided
- Visit [redcross.org/virtual-family-assistance-center](https://www.redcross.org/virtual-family-assistance-center)
 - Behavioral Health
 - Spiritual Care
 - Health Services

Disposable PPE

PLEASE DON'T LITTER

HOW TO DISPOSE OF MASKS AND OTHER PPE SAFELY

GRAB the bottom ties of your mask and then the ties at the top (or the elastic loops)

REMOVE the mask without touching the front

DO NOT TOUCH your eyes, nose or mouth

PLACE in the nearest trash can or discard in an extra grocery sack or Ziploc bag to dispose of later

WASH your hands with soap and water or use an alcohol-based sanitizer

*** RECOMMENDATION**
Wear a cloth mask instead of a disposable one and save critical PPE for health care workers
